Search for Physicians by practice setting, name, specialty or zip code 24/7

The *Harris County Physician Directory* lets you and your staff look up local HCMS physicians all day, every day. The directory has physicians' telephone, practice setting, fax and NPI numbers, and much more. The information is updated daily. Now you can update or add your practice description for FREE. [Click here.](#)

There's an app for that!

HCMS Mobile, HCMS app offers member physicians updates on healthcare news, easy access to our physician directory, special discounts and tools to help manage your practice. The app is available on [Google Play](#), [Amazon](#) and the [Apple Store](#). Download now!

Find best practices for your practice

HCMS has developed a web page designed to provide physicians quick and easy access to various best practices and to help address some common administrative burdens. The Best Practices web page covers—Practice Management; Staffing/HR; Billing/Collections; and Quality and Health Information and Technology. [Click here](#) for more.

What is your work worth?

The updated version of HCMS' Work RVU Calculator is now available. Get the HCMS Work RVU Calculator to help you determine your total work relative value units (RVUs). The calculator includes 40 different specialties based upon the top 50 codes for the specialty. The RVU's are updated quarterly. [Click here](#) for details.

New to Houston?

Are you a physician new to the Houston Metropolitan area? Let HCMS help you navigate through the fourth largest city (the city with no limits) in the U.S. and introduce you to Houston's physician community. [Click here](#) for more information.
