

Below you will find information on COVID-19 testing in Harris County and Houston:

Texas Division of Emergency Management is offering free drive-thru testing. To obtain a test, visit <https://txcovidtest.org/> or call **512-883-2400**. Health care workers will screen people for fever, chills, cough, fatigue, body aches, muscle or joint pain, shortness of breath, sore throat, headaches, nausea, vomiting, diarrhea, nasal congestion and loss of taste or smell. For testing locations, go to <https://houstonemergency.org/covid-19-testing/>. Appointments are required.

Harris County Public Health (HCPH) is now encouraging all residents to get tested. They can go to [w visit http://covcheck.hctx.net/](http://covcheck.hctx.net/) to be screened or call **832-927-7575**.

Priority is given to those who:

- Are Healthcare workers/First responders
- Are asymptomatic responders (*law enforcement, public health officials, etc.*)

Houston Health Department is testing anyone wanting to get a test and has doubled their daily testing capacity to 1,000. People can call the department's COVID-19 Call Center at **832-393-4220** between 9 a.m. and 7 p.m. You will receive an access code and directions to the nearest site.

Houstonians should visit www.HoustonEmergency.org/covid19 for more information about how and where to get tested, including an interactive map of public and private COVID-19 test sites across Texas provided by the Texas Division of Emergency Management.

The department is providing test kits, lab access and equipment to local **Federally Qualified Health Centers** (FQHC) so they can expand their COVID-19 testing capacity. The centers and phone numbers people can call to set up testing appointments are:

- [HOPE Clinic](http://www.HOPEClinic.org): 281-558-2749
- Community Health Network - [Scarsdale Family Health Center](http://www.ScarsdaleFamilyHealthCenter.org): 281-954-4850
