

Below you will find information on COVID-19 testing in Harris County:

- Community-Based Partnerships
  - Harris County Public Health and Houston Health Department have opened drive-thru testing sites. The public can go to [www.readyharris.org](http://www.readyharris.org) to begin the screening process.
  - People who should be tested are those with fever\* above 100.4°F (38°C) and respiratory symptoms who:
    - Have had close contact with someone diagnosed with COVID-19
    - Have other health conditions (diabetes, lung disease, heart disease, pregnancy)
    - Are age 60 and older
    - Are residents of nursing homes
    - Part of an investigation of a cluster or an outbreak
    - Are Healthcare workers/First responders

#### Step 1 - Online Screening:

- Once you have gone through the online screening process, you will receive a unique code and a phone number to call.

#### Step 2 - Phone Consultation:

- Call the given number and complete phone consultation. You will be given another unique code and information of where to get your first test.

#### Step 3 - Testing Facility:

- Proceed to the testing facility at your scheduled time. Be sure to bring with you a photo ID and other information as requested by your nurse screener.

### Test results may take about 7 days

For additional information and phone screenings call:

For Houston residents:

832-393-4220 - Houston Health Dept COVID-19 Call Center (Weekdays, 9 a.m. - 7 p.m. and Saturday, 9 a.m. - 3 p.m.)
