

April 13, 2019 – NRG Center

Door Prize Donation Form

Please complete this form and return to Robbie Morace via e-mail or fax by March 29, 2019.

Donating a door prize provides a great opportunity to highlight your organization and the products and services you offer, at a minimal cost. Physicians love the door prizes and are motivated to participate in the drawings. During the expo the physicians participate in an ice breaker game called **Stick 15 to Win** where they must collect a sticker from 15 different exhibitors (designated "required stop" exhibitors included). It's a great chance for you to engage them in a conversation about your service. Once they have filled their card, they are eligible for the door prize drawings. Door prizes will be drawn during the breaks throughout the expo at the main door prize area.

The benefits of donating a door prize, including:

- Your company information and door prize listed on our website - www.hcms.org and other promotional material;
- Your company name and the prize donated listed on the Door Prize sign displayed at the event;
- You or a representative from your organization is invited to share a 30 second message to the exhibit hall about your organization and the door prize, after the winner's name is drawn. If you are not able to attend, we will do it for you; and
- Your company is invited to display marketing brochures at the Sponsors Information Booth, during the event.

Company Name (as you would like it to appear on all promotional material): _____

Contact Person:

Name: _____ **Phone Number:** _____ **Email:** _____

Will you be present and like to share a 30 second message after the winner's name is drawn? ___ Yes ___ No, please deliver the following 30 second message about our company: (this can be e-mailed to Robbie Morace at robbie@medserv-hcms.com if you prefer)
